Hours of work	Full-time/ Part time, 30.4 - 38 hours per week, 0.8 - 1.0 FTE. Some out of hour's work may be required.
Direct reports	None.
Accountability	Team Leader.

Position Purpose

Our Integrated Practice Worker will provide high quality, safe and effective responses to Victorian women and children seeking support and safety, whilst keeping the perpetrator in view, as part of two multi-disciplinary teams of practitioners delivering CNV's Programs and Services program and CNV's program at The Orange Door.

Each Integrated Practice Worker will work on a placement basis within the CNV Pall Mall Office and The Orange Door network.

The placement/s through The Orange Door program will generally be 12-24 months in length. However, a rotation may be shorter or longer depending on organisational requirements at any given time.

Each Integrated Practice Worker will be required to stay up to date on MARAM Practice Framework, FVISS, CISS, Best Interest Practice Framework for vulnerable children and youth and the Safe and Together approach. These current and emerging evidenced based models of practice will provide and inform high quality and responsive programs incorporating high level assessment, planning and case management within the context of multidisciplinary and multi-agency service approach to service delivery, and will be expected to undertake training and development to support the performance of your duties at either site.

Position Description

Integrated Practice Worker

As the Orange Door is a new and emerging service with evolving systems and processes, Integrated Practice Workers will be actively involved in establishing, planning, developing, implementing, administering, and evaluating the program. This includes developing and enhancing policies, processes, and procedures.

The role and its responsibilities are to be carried out in a manner that is consistent with all relevant delegations, policies, and procedures at CNV.

The Orange Door

CNV is a partner in the Orange Door and this role could be located at the Orange Door.

The Orange Door will bring together different workforces and practices to create an integrated The Orange Door team and a consolidated intake point for the catchment area for family violence and child wellbeing services.

The Orange provides support for:

- Women, children, young people, and families experiencing family violence.
- Perpetrators of family violence.
- Families in need of support with the care, development, and well-being of children.

The Orange Door Team will include a mix of staff employed by Family Safety Victoria and staff employed by Community Service Organisations including CNV, Aboriginal Services, Anglicare Victoria and DHHS Child Protection.

Key Relationships

INTERNAL

- Leadership at CNV
- Staff at CNV

EXTERNAL

- Orange Door staff
- Sector organisations and stakeholders
- DFFH, FSV & other Government departments

Key Accountabilities

Key Result Area	Performance expectations
Client work	<ul style="list-style-type: none">• Provide an integrated, coordinated and safety led response to individuals and families that prioritises: the safety, protection and wellbeing of children and young people; the safety and empowerment of women; and the responsibility and accountability of men who use violence in the family.• Provide a response to women and their children experiencing family violence that includes risk assessment, safety and risk management

Position Description

Integrated Practice Worker

	<p>planning, and engagement and coordination with other parts of the integrated family violence system, i.e., Police, Corrections Victoria, Child Protection, Family Services and Child First, housing services, etc., to ensure risk management strategies are in place, the perpetrator of the violence is kept in view, and women’s and children’s safety is at the centre.</p> <ul style="list-style-type: none"> • Operate with limited supervision within a collaborative practice model utilising multiple perspectives and under multiple practice models which are constantly evolving. • Conduct risk assessments, develop safety plans and risk management plans in conjunction with clients using the Multiagency Risk Assessment and Management (MARAM) framework and within an Integrated Practice Framework. • Assess client suitability, eligibility and priority for brokerage and apply on the client’s behalf to the relevant Practice Lead and in accordance with Brokerage Guidelines. • Engage with perpetrators to develop and plan interventions holding men to account for their choice of abusive behaviour and work towards increasing the safety for the family members. • Other duties as required and commensurate with the qualifications, skills and experience normally expected from persons occupying positions at this level.
Teamwork	<ul style="list-style-type: none"> • Support and mentor new or less experienced staff and actively add to a positive and cohesive team culture. • Establish and maintain working relationships with service providers and case managers.
Training	<ul style="list-style-type: none"> • Undertake work across disciplines as required in the Orange Door and complete the required training and skill development to meet the expectations of the role. • Attend regular training to ensure skills and knowledge are up-to-date and relevant as guided by the CNV Core training program, Orange Door requirements, supervisor assessment and a performance development plan/work plan.
Projects, Processes and Compliance	<ul style="list-style-type: none"> • Exercise own judgment and use own initiative to support the delivery of screening and triage, risk assessment, crisis responses, targeted interventions, service planning and coordinated referrals according to the Integrated Practice Framework, Operational Guidelines, and relevant risk assessment frameworks. • Actively assist in the development of systems, processes, and evaluation tools in a developing, fast paced and changing environment. • Undertake moderately complex projects as required, including planning, coordination, and implementation.

Position Description

Integrated Practice Worker

	<ul style="list-style-type: none"> • Plan, coordinate and administer the operation of a multi-functional service including financial programs for clients. • Actively support the successful development, implementation, and ongoing enhancement of the HUB model in an evolving process of design and evaluation. This includes actively contributing to defining policy and establishing workflows within a new and multi-organisation site and may include providing progress reports on program activities and recommendations for improved practice. • Keep accurate and complete records of work activities in accordance with legislative and organisational requirements. This includes entering clear case notes into relevant and various Client Management Systems and contributing to data collection as required. • Take reasonable care for your own health and safety and for that of others in the workplace by working in accordance with applicable Work Health and Safety policies and procedures. • Operate within the relevant legislative frameworks and policy guidelines and seek information from multiple sources to inform risk assessment, planning and case management functions.
